5. UPCOMING EVENTS: [Power-Gen International 2011](#)

### NEW APPOINTMENT: Alan Johnson Appointed Plant Manager

Mr. Johnson has succeeded Jim Gilbert who retired after 34 years of service with Norplex-Micarta. Mr. Johnson's responsibilities now include the overall management, direction, and coordination of plant production. [Click here](#) for more information.

### SPOTLIGHT ON TECHNOLOGY: Norplex-Micarta Introduces WaveMax<sup>®</sup> 8000 Solder Pallet Material

Having been developed as a solder pallet material, WaveMax 8000 consists of a woven glass fabric combined with a high temperature static dissipative epoxy resin. WaveMax 8000 offers excellent mechanical strength at continuous operating temperatures in excess of 180 °C. [Click here](#) for more information.

### NEW APPOINTMENT: Bonnie Lembke Appointed Financial Controller

Ms. Lembke has succeeded Kathy Voelzke who retired after 31 years of service with Norplex-Micarta. Ms. Lembke is now responsible for all aspects of the company's financial accounting. [Click here](#) for more information.

### INVESTMENTS: Norplex-Micarta Quality Assurance Laboratory Expansion Reflects Company's Dedication for Customers Value

Norplex-Micarta announces an expansion of its in-house material testing laboratory. The 20% increase in laboratory work area will allow space for new state-of-the-art testing equipment and improve the laboratory's efficiency. The laboratory saves customers significantly on the cost to test materials while also performing tests in a timely manner. [Click here](#) for more information.

### UPCOMING EVENTS: Power-Gen International 2011

Norplex-Micarta will be exhibiting at Power-Gen International 2011 in Las Vegas, NV on December 13 - 15. Please visit our booth 7644 to learn more about our products. [Click here](#) for more details on the trade show.
